## USA PRICING AND LEGALITY

**EPA RULING:** Formic Acid (FA) is an unregulated natural substance.

FA for the treatment of mites is a publicly known. The use of FA by beekeepers on their own hives is legal. There are no laws on US books prohibiting its use. MITEGONE is dispenser and method not regulated by the EPA. Therefore, MiteGone is legal to sell and use in the USA.

### PRICES AND ORDERING:

- PRICES ARE IN US DOLLARS (USD)
- PERSONAL CHEQUES, BANK WIRE TRANSFERS, VISA, and MC are ACCEPTED
  - Personal cheques in USD over \$20 Must be mailed 25 days before shipping day for US bank clearance.
- Purchases by VISA or MC are charged in equivalent Canadian currency; however, there may be a small difference between the US total payable and the charge on your credit card statement. We are unable to control US bank practices and charges. The customer must accept the difference up to 1%. If you are overcharged, please contact us and we will happily refund the discrepancy.
- SHIPPING by FEDEX in USA, or AIR MAIL (SMALL PACKET) by CANADA & US Postal Service, postage included \*
- We apologize that the cost of handling, processing, and shipping outweighs the cost of the product on small orders. Please gather your friends or club and order in larger quantities or BUNDLES.
